

# Vermont Invasive Plant Control Contractors

## Updated December 2024

**Landowner's Note:** The following list includes contractors and companies certified, or employing certified individuals, as Category 2: Forest Pests applicators as of December 2024. These professionals are certified to apply herbicides for managing invasive plants.

Landowners may also use the [Kelly Registration Systems, Inc. applicator and company search](#). This tool allows you to search by company, view the list of applicators employed there, and check their certifications. It's an additional way to verify that both the company and its applicators are current with their licenses.

For any questions, please contact Vermont Agency of Agriculture Food & Markets (VAAFMM) [agr.pest@vermont.gov](mailto:agr.pest@vermont.gov) or 802-828-1732.

Contractors listed in alphabetical order.

'Work Area' indicates counties in which the contractor will consider jobs.
